

Our offer, your future.

Delta Engineering is the European market leader in factory automation for the blow moulding industry. Started as a two-man business in 1992, today the company is working with 200 qualified and dedicated employees in 3 sites.

Together we develop a wide range of innovative and efficient quality machines in close cooperation with our customers. In this way we guarantee a stable position on the market and a promising future for our company and our employees. To guarantee our further development, we are looking for a (m/f)

Plant Manager Production plant Romania

Your devotion

- Ensures a smooth and correct run of the processes in the site of Delta Engineering Romania for the different departments: HR, production, logistics, administration and engineering.
- Identifies goals, strategies and action plans for the short-term and the long-term in order to realize them for all departments. This in line with our corporate strategy and core values.
- Has the final authority and responsibility, in consultation with the General Management, for the operations of the Romanian plant.
- Reports to General Management of Delta Engineering Group.

Your talents

- You have a good technical knowledge and a master degree (or similar by experience) in a technical or economical education.
- Setting up, structuring and coaching of organisations is your strength.
- You are enthusiastic and you have a positive attitude combined with a good team spirit.
- You have a very good knowledge in writing and speaking English. Knowledge of speaking Romanian is an advantage.
- You have a good knowledge of digitalisation in a production environment.
- You have a good commercial feeling.
- You are willing to move to Romania if applicable.

Our offer

- We promise you a challenging job in a healthy and growing company with a clear defined mission.
- The possibility to work together with an enthusiastic team, to work in a famous company recognized as a domain leader, with a clear vision of the future.
- To continuously improve your knowledge and experience.
- A financial compensation and benefits, proportional with your experience and contribution.

Your future?

Then we would like to receive your application together with your CV! You can send your application by email to hr@delta-engineering.be or by postal service to the attention of Mr. Glenn Van Nuffel.
